## YOUR FUNDRAISING OPTIONS

1. Get 4 custom sticker designs made by SAS. Two of the designs will incorporate a player's name and number. Stickers can be sold for \$5 to \$10. The designs will be put together on a custom order form. Your team uses the order forms to make sales, checks are made out directly to your team. Order forms are sent back to SAS along with payment for all stickers. We charge \$3 for each sticker. Stickers are sent directly to the people who bought them!

2. Order stickers up front. We will work with you to make a design that suits your needs. Stickers are great merchandise for games, parent nights, and other team events. Having stickers on hand to sell directly is extremely effective! Best of all, you will most likely get a better price! We will work out a quantity discount dependent on how many you order!

### Icing on the Cake!
